

FOLDING TOWEL RACK WITH BAR

INSTALLATION INSTRUCTIONS

Before installing, read entire installation instructions. Observe all local building and safety codes.

Unpack and inspect the product for any shipping damages. If you find damages, do not install. Contact Customer Service at 1-866-855-2284. If you need assistance or have questions while installing your accessory, contact Customer Service.

We recommend anchoring any fixtures that will bear weight to wall studs or solid wood blocking. If the studs in your bathroom do not line up to the mounting location, wood blocking can be installed between the studs using standard 2 x 4's. We recommend consulting a professional if you are unfamiliar with this type of installation.

Because wall construction and materials vary from home to home, Signature Hardware does not provide mounting hardware for all of our bathroom accessories. The appropriate mounting hardware can be purchased from your local hardware store.

We recommend consulting a professional if you are unfamiliar with installing bathroom fixtures. Signature Hardware accepts no liability for any damage to the floor, walls or for personal injury during installation.

TOOLS AND MATERIALS:

Pencil
Screwdriver

Drill
Level

Mounting Hardware

INSTALLATION

1. Locate and mark the position of the wall studs to which you will fasten your towel shelf. You can find studs by listening for a solid sound as you knock on the wall or by using a stud finder
2. Hold the towel rack in place and mark the location of the mounting holes. Use a level to ensure the shelf is perfectly straight.
3. Drill pilot holes and install the wall anchors. Because wall construction and materials vary from home to home, the appropriate mounting hardware may need to be purchased from your local hardware store. Consult a professional if you are unfamiliar with this type of installation.
4. Insert the screws into the screw jackets.
5. Drive screws through the mounting holes, into the anchors to attach the towel rack to the wall.
6. Screw the decorative button covers onto the screw jackets.
