

Sefina

Key Bathroom Faucet Collection

Sefina Key Bathroom Faucet Collection

Range of Finishes

Complete the look by choosing from three rust-resistant finishes—including the trending gun metal color.

*Requires rough-in (see online spec sheet for details)

**Additional showering systems can be found online

Give your bathroom a modern edge with the Sefina Collection. Available in three eye-catching finishes, you can make a stylish statement with this all-encompassing selection of bathroom fixtures and accents. Protecting each durable metal build, all finishes resist rust and corrosion to ensure lasting performance and quality.

Complete Shower System

Gain exceptional performance and eye-catching elegance with this complementary shower system that maintains consistent water pressure and temperature.

Complementary Bath Accessories

Streamline your space by accenting with the full collection—including towel bars and rings, robe hooks, and toilet paper holder.
